"I had a breast augmentation done recently.

It created a big scar and I started treating the wound with Rooibos Miracle Tissue Oil and Intense Repair Serum. I was so surprised to see the results, in just one week it had improved immensely and continues to do so! Thanks Annique. - Tracey Meyjes

My ultimate favourite Annique product has to be the Rooibos Miracle Tissue Oil. A remarkable quality of this product is that it has no age-limit. It can be introduced into every skincare routine and not only does it raise the moisture content of the skin but it also contains the Rooibos extract packed full of antioxidants. Its popularity among clients only increases when they see the remarkable effect it has on scarring, pigmentation, uneven skin-tone stretchmarks and acne scars. By far the most appreciated product in Annique's extensive range. Valerie Cooper
